There is always something spectacular happening at the Sanctuary. Just take our chickens for example - celebrating the rainbow, new beginnings all around.

Did you know that over a Friday, Saturday and Sunday, we recently had to turn away 8 requests for admissions? It is really so sad out there - with abuse and neglect being the biggest reasons why the little children and babies seek out a place of safety at our Sanctuary.

I wish I could hug your

AWAY.

Did you know?

If it was not devastating enough for a child to be admitted, now with **COVID**, they have to go into a **3-day quarantine!**

What does this mean?

Their pain & suffering cannot be abated with the physical comfort that they so crave

How do we help them?

By giving them virtual hugs by caring for their health, psychosocial & developmental needs

Please give them a (monthly) Virtual hug

All donations are 100% tax-deductible - Thank you for giving these little souls a 2nd chance at life

Going global for the babies! The most incredible fundraiser taking place in 3 countries. **About the event:** Diane Shannon passed away in Cape Town on April 9, 2021. Her charity of choice was Heartlands Baby Sanctuary.

In honour of Diane's legacy, her 3 children, Amber, Miranda and Saul will be doing a 3 country triathlon - Cycling (100 km) in Scotland, trail running (50 km) in Hong Kong and swimming (5 km) in South Africa simultaneously on the same day, in their respective time zones. We urge you to sponsor them on this journey and to salute an incredible lady. Their goal is to raise R250 000 – giving them just under 3 months to go (ending 23 October 2021) to reach our goal. Please support their initiative.

Please help me

Our inaugural SA Festival of Children's Festival was a fantastic success, reaching an audience of over 1 100 people, an incredible feat for a first-time event. With sincere thanks to Darryl David, the Literary King of SA, and the awesome, unwavering technical support from the University of the Western Cape, plus of course, all the other volunteers in between.

We would like to take this opportunity to thank each and every one of our donors. Your commitment and support mean the world to us, enabling us to look after even more children than the 300 in the past 6 years.

Because it is every child's birthright to belong.
