

March 2025

Ministers nurturing babies, the kiddies, **interesting stats**, **WIN** big with our R10k competition, **dates 2** diarise, **golf**, **unveilings**, the Day of the Decades and love abounds!

We were honoured to meet an amazing man with vision and empathy – meet Provincial Minister of the Department of Social Development, Jaco Londt. Did you know, that out of 1 600 NGO's to choose from, they chose just 2 NGO's, and us of course, being one of them. And this is what he had to say about his visit:

"Today I was joined by a group of volunteers from ASEZ to visit the Western Cape Department of Social Development's Lindelani Child and Youth Care Centre and the NGO [Heartlands Baby Sanctuary](#)."

The Department is always looking for ways to partner with other organisations to enhance our services. We hope today's visit could show these volunteers the amazing work done at DSD and NGO-run CYCCs, and inspire them to lend a hand.

Thank you to the staff at Lindelani and Heartlands for the impactful and life-changing work you do in caring for and supporting vulnerable children! 🙌"

And what have the children been up to?

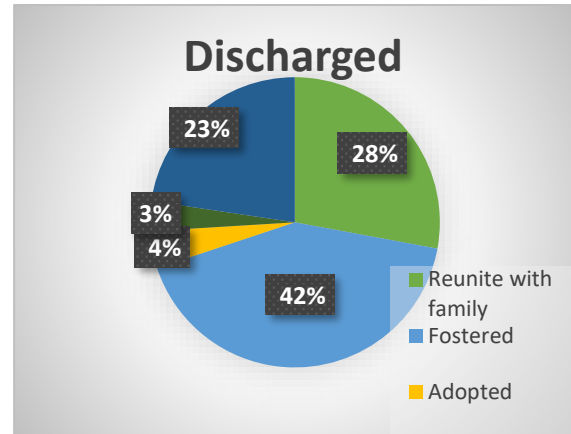

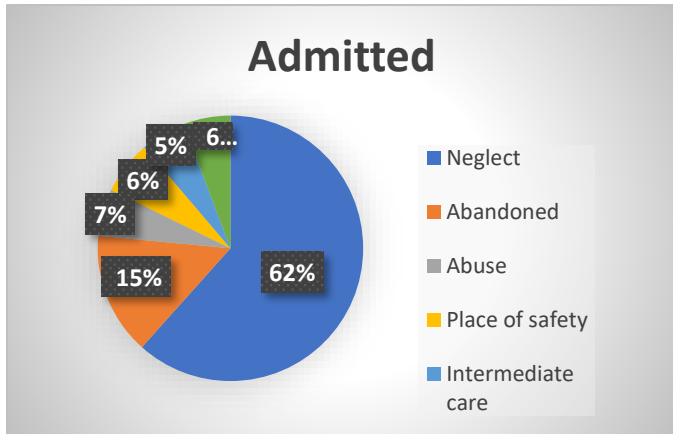

Spreading the joy, love and giving of Valentine's. Our morning started with our children handing out Valentine's cards to our staff, which the children made themselves.

We then celebrated with a Valentine's party sponsored by Capitec.

All dressed up in red, it was a fun-loving morning.

We so often get asked - Why do children get admitted
